CHRISTMAS WISHES

As we enter this Christmas season, we are overwhelmed with hearts of gratitude and wonder.

As a family we have walked through a challenging season but have come through and can share about God's faithfulness and mercy. We are the better for it.

As I sit here in Afghanistan writing to you, we recount how thankful we are for so many things. Health, family, friends & our hope in God. We are so very thankful for you and the opportunity to share this journey with you.

We hope you hear our hearts as we express our deepest joy wishing you a very merry Christmas. Our prayer for you as well is that you have a God blessed and led New Year.

Blessings: Ray & Julie, Elias, Gabriella, Josiah and Jarrett Siebring

Personal Messages

Dear Family, Friends, & Partners,

It has been a very eventful couple of months. We have seen God's hand move upon our lives through the international moving process, ministry work in Colorado and field ministry in Afghanistan. Ray travels significantly but has taken each of the kids on one of his adventures giving them precious memories for a lifetime. We are continually amazed at God's leading and provision for our family all of which we give him the glory. With all the changes we want to make you aware of the new contact information that we have updated at the bottom of this newsletter. Our personal information is on the front & donor / ministry information is just below.

It has been such a long time in between our newsletters that unfortunately we have lost contact with many dear friends. We would love to hear from you, re-connect and even pray for you and your prayer requests. In closing we pray God's richest blessings. Bye for now.

If you wish to support our family financially please make a check out to YWAM and mail it to the address at the bottom of this newsletter. To make sure it reaches us please include a note stating it is for the Siebrings & write Siebrings in the memo section of your check.

You can click the links below to donate online or for donor information. For USA donors there is the option of giving online by credit card.

- The Siebring kids have adjusted to having only Dad available to serve them for a season.
- Siebring family has a great church home and lead several small groups

Prayer

- For Julies immigration paperwork to go through & to receive her health card in order to seek further medical care
- Effectiveness in ministry
- For personal finances to increase since we lost a significant portion of our support with our families move
